EDUCATION

Nanasaheb Mahadik College Of Engineering 2023-2026
Bachelor of Technology in Computer Science.

Yashwantrao Chavan college of science 2021-2022
Higher Secondary Education (12th), Science.

Krishna English Medium School 2020
Secondary Education (10th).

WORK EXPERIENCE

- Intern – API, Database & Front-End Development D. Dev | Aug 2025
- Developed and integrated REST APIs with MySQL databases
- Designed and maintained relational database schemas
- Wrote optimized SQL queries for efficient data retrieval
- Assisted in front-end integration to ensure seamless API communication
- Supported database management and testing processes

PROJECTS

- **Netflix Data Analysis Dashboard (Excel):**
  Cleaned and analyzed Netflix dataset to identify trends in content type, genre, and release patterns
  Built interactive dashboard using Pivot Tables, slicers, and charts
  Generated insights on content distribution and growth trends
- **Bank Management System (MySQL Project):**
  Designed relational database schema for customers, accounts, and transactions
  Implemented CRUD operations and complex JOIN queries
  Maintained data integrity using primary and foreign keys
  Simulated transaction tracking and account management system
- **Financial Loan Analysis Dashboard (Power BI):**
  Built interactive dashboard analyzing loan approval rates and lending risk metrics
  Applied DAX functions to create calculated columns and KPIs
  Visualized borrower segmentation and repayment trends

SKILLS

Data Analysis & Visualization:

- MS Excel (Pivot Tables, VLOOKUP, Data Cleaning, Charts)
- Power BI (DAX, Data Modeling, KPI Dashboards)
- Tableau

Databases:

- MySQL (Joins, Subqueries, Aggregations, CRUD Operations, Schema Design)

Programming:

- Python (Pandas, NumPy – Data Handling & Analysis)

Tools:

- GitHub
- VS Code

CERTIFICATIONS

- Advanced Excel & SQL Mastery – I.T. Vedant
- Power BI Essentials – I.T. Vedant
- Tableau Certification – I.T. Vedant

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Cloud Lead – Google Developer Student Club (GDSC) **2024-2025**

- Led cloud computing initiatives and technical sessions for student members
- Conducted workshops on cloud fundamentals and deployment concepts
- Mentored students on cloud-based project implementation
- Collaborated with core team members to organize technical events and hands-on learning sessions
- Promoted awareness of cloud technologies and industry best practices
